

Reveal the real you

Levi's Lady Style, epitomising the diva of feminine sexy denim fashion, sashays into the scene this Fall/Holiday 2006 season with vintage-inspired pieces weaved from lustrous fabrics in alluring colours, graced with feminine trimmings and charming embellishments.

The collection of tops and bottom continues to give women style choices enhancing their feminine sexuality. The highlights of the collection are three new jean designs and a skirt that remain true to the Levi's Lady Style promise of creating that slender silhouette which women desire.

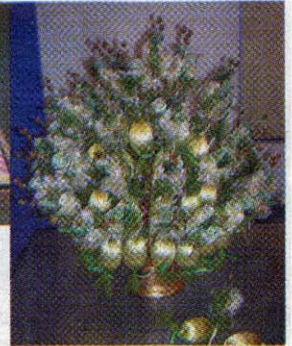

They are Levi's Lady Style Diamond Jean and Skirt, Levi's Lady Style Diva Jean and Levi's Lady Style Jeanious Jean.

Celebrities who were present at the recent launch and fashion show were Daphne Iking, Hannah Tan, Marion Caunter, Sazzy Falak, Serena C and Yasmin Hani.

NANDO'S INTRODUCES ESPETADA

Espetada, which means pierced, was originally meat skewered on a branch from a bay tree and left to grill over smouldering fire. Today, Nando's Espetadas are prepared using hygienic stainless steel rod.

Using only A-grade chicken, each skewer consists of four boneless chicken thighs marinated for 24 hours in the Nando's secret Afro-Portuguese recipe.

The Espetada is then flame grilled to perfection in a choice of four Peri-peri flavours such as Lemon & Herb, Mild, Hot or Extra Hot Peri-peri.

In conjunction with Nando's Peri Mad Sale, the Espetada which is served on a specially designed Nando's Espetada stand comes with an accompaniment of crisp fresh

Fresco Salad and peri wedges for just RM21.90.
